

WILLOW GROVE ELEMENTARY YEARBOOK COVER CONTEST

Calling all Grizzlies!

We need YOU to design the 2018-2019 yearbook cover!

Turn in completed designs to your teacher.

The deadline for submitting artwork is **November 14, 2018 (3:30pm)**.

YEARBOOK ART CONTEST RULES

1. Use an 8.5" by 11" white sheet of paper in a vertical (**portrait**) format.
2. Create a ½" white border (frame) around the perimeter of the paper.
3. Label the **BACK** of your artwork in pencil with your full name, grade, and teacher. Please do not put your name on the front of the artwork.
4. You must include the words Willow Grove Elementary and 2018-2019 somewhere on front your artwork.
5. Use markers, crayons, paints, or colored pencils.
6. Fill the page with color and make sure your picture is large. Other than the ½" border, leave **NO WHITE SPACE**. The more colorful the picture is, the better it will look on the cover!
7. Avoid metallic colors, fluorescent inks, and no glitter.
8. Do **NOT** fold your art piece as lines will show. Be careful with sketching as erased pencil marks can show too.
9. Your design should be original and hand-drawn by you, the student!
10. Work must be completed at home.
11. **Theme to create your picture will be:** "Learning is a treasure that follows you wherever you go." - Chinese Proverb
12. Students can only submit one art piece.
13. **Please attach the permission slip using a paperclip with the art piece (do not staple).**

*Only one art piece will be chosen for the front cover of our 2018-2019 yearbook. However, all participants will have their art showcased in the yearbook! Teachers will vote for their favorite designs. **The winning artist and design will be announced on December 14, 2018!***

**Take your time, use your imagination, and have FUN!
Thank you for participating and GOOD LUCK!**

*Please contact the Yearbook Committee with any questions.
